

JUDO VICTORIA INC

New Club Application

The application process:

A new club application has 2 separate but parallel processes:

- a. A "paper" application for Committee consideration
- b. On-line registration and payment

When your "paper" or application form is sent to the secretary (preferably electronically to secretary@judovictoria.com.au), the registrar will make available on the membership portal, a club called "Applicant Club". The membership portal (jvi.org.au) can be accessed from the website (judovictoria.com.au) or bookmarked for later access.

On the membership portal enter "Club Membership Renewal", fill in the details required so they are the same as your "paper" form and pay the required fee using a credit card or Paypal account.

You are also expected to register at least 3 members. This is also done on-line. Enter "new Membership". Trial membership is only available to member clubs. Follow a similar process to register and pay for 3 members.

When this is done, the Committee will consider your application.

If the club is accepted, the "Applicant Club" will be changed to your club name and the three members will be issued with membership cards. From this point on, new members can register as members of the club, enter JVI or JFA competitions, attend JVI seminars, be eligible for JVI teams and be graded, and your club will be added to the website FIND A CLUB list.

If the application is not accepted, the fees will be refunded.

We advise you to read the JVI Constitution before proceeding.

I, _____

Phone _____ Email _____

Apply for JVI membership of a Judo Club as follows:

(The acceptance of a Club does not confer membership of JVI on its members. Individual members of the club must apply separately, on line, for membership of JVI once the club has been granted membership)
