Judo Victoria Inc

Presidents Report 2012-13

The 2012-13 year has been a year of major change in the life of Judo Victoria Inc. JVI started the year with unprecedented changes in its committee membership and finished the year with a period of stability and strength. I would like to thank those members that stepped up to take on leadership roles following the resignations of the former president and treasurer earlier in the year, and those JVI members that stepped up to fill the casual vacancies on the JVI committee.

JVI finished the year with a committed and hard working committee with high morale and excellent relationships within the committee and with the Victorian judo family.

The saddest development of 2013 was the passing of our Senior Vice President and Life Member Bob Todd. His support, wisdom and experience are sadly missed.

I would especially like to acknowledge the work of Andrew Collett who filled the role of Secretary for most of the year and of Ben Donegan who took over as the secretary when Andrew had to step down when he took an executive role on the Victorian Olympic Committee.

I would also like to acknowledge the excellent work of Nick Papadimitropoulos who stepped into the role of treasurer and to Pat Quek who filled in when Nick was away in Greece for two months. I am proud to say that this year we have an expertly prepared set of accounts that meet all of the accounting standards. Judo Victoria is well set up for the future.

Development Officer: In 2012 JVI appointed our first ever paid development Officer Robyn Dawson. The position was partly funded by our annual Victorian Government grant. Despite a reduction in State Government grants to all sports JVI has found Robyn's work so valuable that we have extended her contract for another year. We are very lucky to have such a professional employee who has such good connections with the rest of the sporting community. One of Robyn's great initiatives is to coordinate the regular newsletters that we are publishing to keep our membership up to date with all of the news about JVI.

Website and Face book: I would also like to acknowledge the excellent work done by our webmaster Rod Cox to catapult JVI into the digital age. Our data show that for our members this is now the main way that they find out what is happening in judo.

On line registration process: Initially Judo Victoria signed up to the JFA national data base system but the feedback from our registrar and complaints from our membership forced us to review our involvement in the system and following an exhaustive process to move to our own system which is tailored to meet our needs. We have only introduced Stage 1 of the

planned changes and are very happy with the feedback from clubs and from our members. I wish to acknowledge the role of Malcolm Slade who stepped in to take on the role of the registrar and steer us through the change process.

Tournament Committee: Following the resignations of the former tournament directors Sandy Hollingsworth has taken on the role of tournament director. With a five week lead time we were very happy with the Southern Cross Open in 2013. We all received a lot of positive feedback about the changes from coaches and competitors from Victoria and interstate. Being Sandy she has lots of ideas for improvements for the future.

I appeal to all of our clubs to support our tournaments.

Constitutional changes: Following the recent changes to the Victorian Act covering incorporated bodies our JVI secretary Andrew Collett commissioned a solicitor to bring it into line with the new legislation and with the changes recommended by the Australian Sports Commission into our Member Protection Policy. There are a lot of minor changes in the wording of the Constitution and the JVI committee is recommending that we accept the changes in one motion. We believe that we should accept the professional legal advice that we have received.

State Coaches and managers and team: Congratulations to all of the members that represented Victoria during 2013. As the Victorian President I was very proud of the professionalism of our Coaches and Manager, and the behaviour and the on mat performances of our team. We are so lucky to have a great manager in Jean Coughlan-Poole and such outstanding coaches as Maria Pekli, Daniel Kelly and David Nabulsi and their team of supporters.

I also wish to congratulate the many Victorians that were selected to represent Australia internationally. We should be proud that five out of the six Australian Olympians in London were from Victoria! Competitors only achieve this level by starting off judo at a local club, competing in local competitions and by representing Victoria.

Volunteers: Last but not least I wish to thank all of the volunteers that have supported Judo Victoria this year. This includes our referees, tournament committee, tournament helpers and everyone that has helped at any event that we have run. There are too many of you to mention individually. At the national titles in June David Nabulsi was recognised as our Victorian volunteer of the year.

Judo Victoria Inc
Notes to the Financial Statements
For the year ended 30 June 2013

Note 1: Summary of Significant Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporations Act of Victoria. The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historical costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(a) Property, Plant and Equipment (PPE)

The depreciable amount of all PPE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

(b) Impairment of Assets

At the end of each reporting period, the entity reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

(c) Employee Benefits

Provision is made for the association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits have been measured at the amounts expected to be paid when the liability is settled.

(d) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

(e) Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

Grant and donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt.

All revenue is stated net of the amount of goods and services tax (GST).

Judo Victoria Inc
Notes to the Financial Statements
For the year ended 30 June 2013

(f) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the assets and liabilities statement are shown inclusive of GST.

(g) Trade and Other Payables

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association during the reporting period, which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

INDEPENDENT AUDIT REPORT TO THE MEMBERS OF JUDO VICTORIA INCORPORATED.

Scope

The financial report and directors' responsibility

The financial report comprises of the profit & loss statement, balance sheet, accompanying notes to the financial statements, and the committee declaration for the Judo Victoria Incorporated. (the association), for the year ended 30 June 2013.

The committee of the association are responsible for the preparation and true and fair presentation of the financial report in accordance with the Associations Incorporation Act (Victoria) 1981. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report.

Audit Approach

We conducted an independent audit in order to express an opinion to the members of the association. Our audit was conducted in accordance with Australian Auditing Standards, in order to provide reasonable assurance as to whether the financial report is free of material misstatement. The nature of an audit is influenced by factors such as the use of professional judgment, selective testing, the inherent limitations of internal control, and the availability of persuasive rather than conclusive evidence. Therefore, an audit cannot guarantee that all material misstatements have been detected.

We performed procedures to assess whether in all material respects the financial report presents fairly, in accordance with the Associations Incorporation Act (Victoria) 1981, including compliance with Accounting Standards and other mandatory financial reporting requirements in Australia, a view which is consistent with our understanding of the association's financial position, and of its performance as represented by the results of its operations and cash flows.

INDEPENDENT AUDIT REPORT TO MEMBERS OF THE JUDO VICTORIA INCORPORATED. (Continued)

Audit Approach (Continued)

We formed our audit opinion on the basis of these procedures, which included:

- Examining, on a test basis, information to provide evidence supporting the amounts and disclosures in the financial report; and
- Assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates made by the directors.

While we considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, our audit was not designed to provide assurance on internal controls.

Independence

In conducting our audit, we followed applicable independence requirements of Australian professional ethical pronouncements.

Audit Opinion

In our opinion, the financial report of the Judo Victoria Incorporated presents a true and fair view in accordance with applicable Accounting Standards and other mandatory professional reporting requirements in Australia, the financial position of the Judo Victoria Incorporated, as at 30 June 2013 and the results of its operations for the year then ended.
