

Judo Victoria Return to Play Plan

June, 2020

Preamble:

- Judo Victoria is committed to the health and safety of our members as our major priority, in the return to Judo training in this COVID19 pandemic.
- Judo Victoria is committed to following all of the advice from the Victorian Government on timelines, hygiene and infection control.
- Judo Victoria recognises that judo classes are run by our member clubs and is committed to providing as much information to our clubs as possible to help them to return to play in a safe and healthy manner.
- Judo Victoria commits to providing updates on any changes in State Government policy as soon as it becomes available.

Financial Support for Clubs to return to Play:

Judo Victoria recognises that the COVID 19 Pandemic has put many clubs and communities under extreme pressure.

JVI has agreed to make unprecedented one-off grants to clubs on a per Financial Member basis subject to clubs accepting the offer in writing and agreeing to follow JVI and State Government guidelines for the Return to Play.

JVI has set aside money for marketing and promotion to help clubs rebuild their membership base if necessary.

Communication:

JVI will communicate to its clubs and members on the Return to Play via:

- Notices sent directly to clubs
- The JVI Website
- Newsletters
- Social media

Expectations on JVI Clubs:

- All clubs are expected to follow all Victorian Government health and safety guidelines to provide a safe training environment.
- Clubs are asked to agree with the JVI guidelines in writing to acknowledge that they will comply with expectations.
- Ensure that all coaches have Working With Children Cards and comply with legislated Child Safety rules.

- All coaches have completed the Online Infection Control Course.
- Put up safety signs informing parents on the rules including the Drop off and Pick Up rules similar to schools
- Support Social distancing rules at Drop Off and Pick Up times.
- Ensure that every student completes the JVI Club COVID-19 Health Screening Questionnaire
- Keeps accurate records of attendance and Contact details for at least 2 months in case they are needed for Contact Tracing.
- Ensure that sanitiser is available at all classes and that the mats and equipment are disinfected before and after every class.
- Provide appropriate Non-Contact activities that comply with social distancing rules until Full contact training resumes for senior students.
- Keep classes to a maximum of 10 senior students for Full contact training until approval for larger classes is given by the Health Department.
